General product information

Model type

Automatic refrigerator-freezer with SmartFrost

GTIN

4016803149811

Series

—

Output and consumption

Energy efficiency class	E
Energy consumption per year	193 kWh/a
Climate class	SN-ST
Noise level	38 dB
Connection rating	1.4 A
Voltage	220-240 V ~
Frequency	50 Hz
Refrigerant	R 600a

Control and functions

Number of temperature zones	2
Number of regulated refrigeration circuits	1
Temperature display	–
BottleTimer	–
Control unit	Rotary control
Malfunction: Warning signal	–
Connectivity solution *	–

Refrigerator compartment

Defrosting method	automatic
-------------------	------------------

Illumination cooling compartment	LED light
----------------------------------	------------------

Number of storage shelves, refrigerator compartment	3
---	----------

of which height-adjustable	2
----------------------------	----------

Of which separable	0
--------------------	----------

Bottle rack	1
-------------	----------

Number of can racks	2
---------------------	----------

VarioBox	–
----------	----------

VarioBoxes	0
------------	----------

Butter dish	–
-------------	----------

Egg tray	10 eggs
----------	----------------

Type of door rack Cooling compartment	Bottle and can rack
---------------------------------------	----------------------------

Freezer compartment

Freezer compartment position	Bottom
------------------------------	---------------

Defrosting method	manual
-------------------	---------------

Freezing capacity in 24 hours according to GS **	3.00 kg / 24h
No. of drawers in freezer compartment	2
of which on telescopic rails	0
FrostSafe	Drawers closed on all sides with transparent front
Interior light, freezer compartment	–
VarioSpace	✓
Ice cube tray	Ice cube tray
Number of ice cube trays	1
Number of cold storage accumulators	0
Freezer tray	0
Star-rating	4
Storage time in case of fault according to GS **	14 h

Design and materials

Material inner door rack	Plastic
Storage shelf material, refrigerator compartment	Glass
Material of adjustable shelves in the freezer compartment	Glass

Door design	SwingLine design
-------------	------------------

Colour	Silver
--------	--------

Side wall material	steel
--------------------	-------

Handle	Recessed grip
--------	---------------

Set-up and installation

Door hinges	Right reversible
-------------	------------------

Height-adjustable feet	2
------------------------	---

Transport handles	–
-------------------	---

Transport castors at back	✓
---------------------------	---

Connector cable (length)	1,900 mm
--------------------------	----------

Transport handles at back	–
---------------------------	---

Specifications

Exterior dimensions: height/width/depth	137.2 / 55 / 63 cm
---	--------------------

Height / Width / Depth (with packaging)	1,424.0 / 567.0 / 711.0 mm
---	----------------------------

Weight (without packaging)	50.5 kg
----------------------------	---------

Weight (with packaging)	54.5 kg
-------------------------	---------

Total volume ***	210 l
Volume, refrigerator compartments	157 l
Volume, freezer compartments	54 l
Of which 4-star compartment	53.5 l

* SmartDevice functionality based on availability

** Value according to global standard (GS)

*** In accordance with Regulation EU 2019/2016, we show the total volume as an integer (rounded down) and the volume of the freezer and freshness compartments with one digit after the decimal point. The complete range of efficiency classes can be found on page 9. According to (EU) 2017/1369 6a. The term "volume" refers to the term "total volume" mentioned in the current regulation.

Please note: despite careful data management, we reserve the right to make technical changes; and discrepancies may occur between the image or text content and the original appliance. *According to guarantee terms and conditions for the 10-year manufacturer's guarantee: home.liebherr.com/guarantee
